

I do not want to lose my local Airl station (90.1) to a LPFM station. Many of our Christian teenagers in Yucaipa listen to Airl. With many of the local FM stations glorifying casual sex and drug & alcohol abuse, Airl is one of the few stations I feel is appropriate for teenagers, children, and families with high moral standards. Airl serves the public interest by providing an alternative to radio stations with vulgar DJ's and songs that promote low moral standards and violence.
